Dear Business Proprietor / Property Owner / Resident,

Kenson Civils & Highways: ResLtr_11_01_2021

Ilford Town Centre Transformation Project

I hope this letter finds you and your families well during this difficult time and I personally would like to wish you all a Happy New Year.

Kenson Civils & Highways have been making some great progress on the Ilford High Road Transformation Project (Image).

We are now back on site and continue the works in 2021 and have site set-up our first site outside the Town Hall which has been extended towards Clements Road changing the way you can access Argos.

In the below map you will only be able to pass along the bottom of the site (Waterstones to Santander) as there is a dead end next to Argos due to the Harrison Building works.

Image 1: New Granite Paving, High Road, Ilford

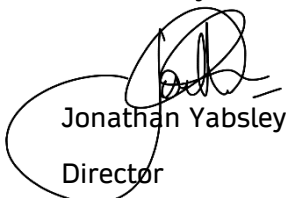

Image 2: Site Outside Town Hall to Clements Road, Outside Argos

There will be new custom signage installed around the site to indicate how you can continue to access Argos for their 'Click and Collect' services. I want to reassure you Kenson are doing everything we can to keep disruption to a minimum. We would also like to thank everyone for their patience and understanding and we look forward to updating you again soon.

We would also like to kindly ask, that during these works please keep your distance from our staff and maintain 'Social Distancing Guidelines' of 2 metres at all times. If you would like to contact us please do not hesitate to do so, our details are contained within this letter.

Please remember that good hygiene is the best prevention and there are some simple steps you can take to protect you and your family. Wash your hands regularly and thoroughly and if you cough, cover your mouth and nose with a tissue.

Please Stay Safe.

Jonathan Yabsley
Director
