## WE ARE ON SITE & BACK TO WORK

Kenson Highways would like to wish you all a happy new year.

We hope everyone had a good Christmas.

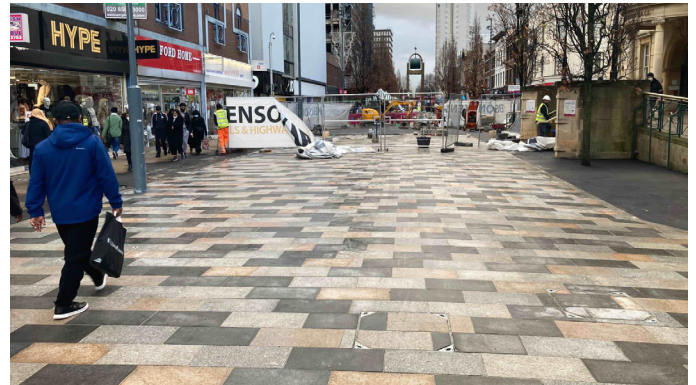

High Road transformation image

Kenson would like to inform you we are on site and back to work.

We are currently working in the location of the Town Hall to Argos. This new site will be up for approximately 12 weeks before moving on to our next location, outside Primark to Lloyds TSB.

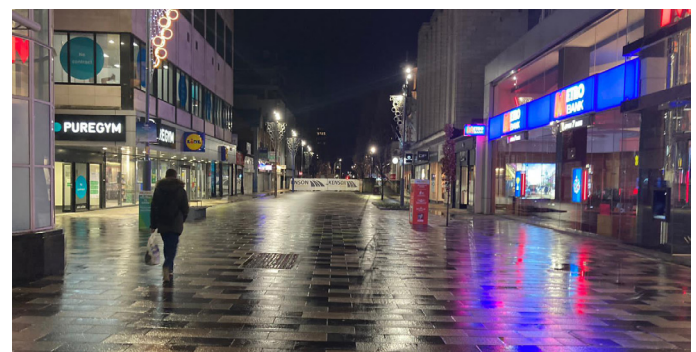

We hope you love the transformation of Ilford Town Centre as much as we do. Reflecting on last years progress we have put together a brief but not limited to list of what we have achieved so far:

- Visitor centre opened
- Ducting installed
- New lamp columns installed
- New drainage installed
- Reinstated old chamber
- Installed new gully pots
- Levelled the High Road
- New granite laid
- New planters and flower beds installed
- New electrical pop up boxes for market stalls
- Painted specialist stain repellent sealant on slabs
- SUD's tree-pits installed

Kenson want to reassure you we are doing everything we can to keep disruption to a minimum. Kenson would also like to thank everyone for their patience and understanding and we look forward to updating you again soon.

## Hands. Face. Space

It is critical that everybody observes the following key behaviors:

- **HANDS** – Wash your hands regularly and for 20 seconds.
- **FACE** – Wear a face covering in indoor settings where social distancing may be difficult and where you will come into contact with people you do not normally meet.
- **SPACE** – Stay 2 metres apart from people you do not live with where possible, or 1 metre with extra precautions in place.

**WASH YOUR HANDS, COVER YOUR FACE, MAKE SPACE**
