

Imagine Ilford Town Centre in 2030

Ilford Town Centre has been chosen to take part in the Mayor of London's High Streets for All Challenge to support town centres and high streets to thrive.

Help us develop a vision for Ilford Town Centre with Sustainability and responding to Climate Change at its heart and share your ideas to create a Green Town Centre.

Who can take part?

The competition is open to anyone who lives or works in Ilford and the surrounding areas, including children, adults as well as artists, architects, planners and other creative professionals.

The prize

Individuals have the chance to win £200 worth of High Street vouchers and see their ideas turned into reality. Entries will be displayed in the Town Centre on 2nd October 2021 as part of our High Street event.

How to enter

Design your ideas for a site in the Town Centre that needs improving.

We are interested in projects that provide more greenery in the town centre; this could be creating small park areas and greening existing buildings or other green ideas.

We have identified 6 sites in the town centre that need your ideas for improvement. Click on the link to download a drawing of the site.

1. [Oakfield Road](#)
2. [Winston Way Underpass](#)
3. [Griggs Approach](#)
4. [Deco Building](#)
5. [Exchange Shopping Centre](#)
6. [Hoardings](#)

Creating your competition entry:

Express your ideas creatively through drawing, collage, photography, computer aided design or modelling.

You can work directly on the site drawing or use A4, A3 or even bigger paper.

If possible, try to visit the site and take a camera, sketchbook or notebook with you to record your ideas.

If you have access to the internet and/or old magazines, draw, print or cut out images which can be included in your design.

You can also include keywords to help describe your idea.

Most importantly get stuck in and have fun!

Submit your entry by midnight on Sunday 26th September 2021

Entries will be displayed, and the winner announced on Saturday 2nd October 2021
