

August 22 - March 23

Business Courses

Fire Marshal Training

You will learn about preventing fires, and about the different types of fire extinguisher and how to use them correctly

Mental Health Awareness

The courses will help you protect your employees' mental wellbeing and safely manage workplace mental health risks

First Aid Training

First Aid courses are specially designed to help people learn new skills and knowledge, or refresh existing first aid skills

Radio Scheme

The radio security scheme in Ilford is provided by Ilford Business Improvement District (BID). The scheme links together the BIDs' Security Team, Town Centre Police Team, CCTV, and over 80 businesses

Recycle Scheme

Ilford BID & First Mile are working in partnership to save your business money and achieve long term environmental benefits. The scheme has been running for over 4 years & is open to subscription
